

TOP CONTENDER

OVERVIEW

Take aim at the variety of giant colorful targets in this game of precision and control.

BEGINNER

Glowing targets will be the first three targets.

ADVANCED

Glowing targets are the three furthest targets.

TIPS

- Choose 8 or 12 shots per player. Players rotate every 4 shots.
- Hit the glowing targets for double points.
- Aim closer to the center of each target for maximum points.
- Hit the glowing target that is furthest in the distance for maximum points.
